Lone Star Red Star
2020 Formation Clinic
April 16-19, 2020
Registration Form

The Lone Star Red Star Formation Clinic is an official RedStar Pilots Association (RPA) formation clinic being held at the Lancaster TX airport (KLNC) from 16-19 April 2020. The clinic is structured to teach formation flying skills and safe operations, leading to earning a Formation and Safety Team (FAST) card.

You have to be an RPA member in order to receive a recommendation and a check ride at this clinic. If you are not an RPA member, please go to flyredstar.org and join. Members of other FAST organizations and other pilots are welcome to attend.

Registration Fees: Please check only one:

Pilots \$80 Ground School Only \$40 Non-pilot participant \$40

Emergency Contact Information

Name: _____

Phone: Home: _____ Mobile: _____

Relationship: _____

Home Address: _____

City: _____ State: _____ Zip: _____

Registration is on a first registered, first served basis. The clinic organizers have identified a number of instructors and check pilots, and will make best efforts to ensure there are an adequate number to support the trainees. Spring weather and personal circumstances may reduce the number of these critical pilots, and we may have to prioritize attendees.
